

## **LASAR and Rota-Rippers 2017-18 Grant Request – First Turns Initiative**

The LASAR and Rota-Rippers Grant program (First Tracks Program) is an opportunity to bring the gift of skiing and professional instruction to those who would not otherwise be able to partake. There are limited financial resources to help defray program costs for those families who would otherwise not be able to afford the opportunity to enroll in the SVSEF LASAR and Rota-Rippers programs. Tuition for the LASAR program is \$250, and tuition for Rota-Rippers is \$200. Both fees include a season pass for the participant at Rotarun.

Please return completed applications to Kelly Roberts ([kroberts@svsef.org](mailto:kroberts@svsef.org)) or mail to Kelly Roberts c/o SVSEF, PO Box 203, Sun Valley, ID 83353.

**Parent's name and contact info:**

**Child's name:**

**Child's age and grade:**
